TO WHOM IT MAY CONCERN

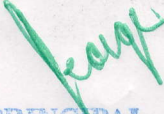

This is to certify that St. Aloysius School, Polipathar, located at Polipathar, Gwarighat Road, Jabalpur, has sufficient number of well-cleaned toilets (separate for Boys & Girls) so as to provide proper health and sanitary condition. The source of drinking water is a tube well and municipal corporation water connection. Drinking water supply is equipped with an Aquaguard water purifier along with a high capacity storage water cooler which provides hygienic drinking water. Cleanliness along with the firefighting facility within the school campus is well maintained.

The cleanliness, hygiene and water condition within the school premises are excellent.
